MEET THE EXPERTS

onestop was founded to transform creative ideas from dreams into inspiring reality

450

In a world cluttered with homogeneity, onestop was founded to transform creative ideas from dreams into inspiring reality. As a full-suite solutions provider for F&B and Hospitality interior projects, we have consistently brought our client's visions to life, not only by providing tailor-made showpieces, but also by providing immense value through practical material solutions.

With more than a decade of experience at your disposal, we are fully equipped to provide end-to-end solutions – from custom manufacturing, quality joinery and fit-outs to fully managed turnkey projects.

Headquartered in Singapore with production capabilities in China and Indonesia, rich diversities from these select locations allows us to bring together the best of each region's craftsmanship and manufacturing practices to provide our clients with exclusive solutions.

Our commitment to quality hospitality solutions has made us the preferred partner of leading establishments including prestigious hotel chains and artisan restaurants across the globe. Each of our specially crafted solutions stand as a testament to our dedication and ability to turn every detail of your furnishing visions into memorable masterpieces.

YOUR OPTIONS

Joinery & Interior Fit-out

Great ideas have little value if they are not turned into reality. Armed with engineering and design proficiencies, onestop breathes life into your project ideas with quality joinery through meticulously crafted fit-out solutions.

Custom Furniture Manufacturing

In order to cater to the creative demands of bespoke furniture requests, onestop fully owns factories in China and Indonesia enabling infinite customisation options. This gives us the unparalleled ability to blend precision machine production with traditional Indonesian handcrafted techniques to create uniquely exclusive works of art.

Technical Advisory & Value Engineering

When investing into turnkey hospitality projects, onestop recognises that your peace of mind is invaluable. Hence, we leverage on our joinery and custom fabrication expertise to take full control of every stage in each project, from design consultations to manufacturing & installing all furniture and fittings. As a result, we guarantee that the right materials are used to make the highest quality products at the best value for each comprehensive project, ensuring a hassle-free and rewarding journey.
